Centreville, VA

EXPERIENCE

Panera Bread

Fairfax, VA

Associate

Jun 2025 – Aug 2026

- Took orders and resolved customer issues during peak lunch hours, handling 100+ customers per shift in a fast-paced environment.
- Trained three new hires on the point-of-sale system and opening procedures, and was trusted to open the store independently.
- Tracked daily inventory counts on a shared spreadsheet, helping the shift lead reduce end-of-day food waste.
- Handled cash and card transactions with a consistently balanced drawer at close, following store cash-handling policies.

Fairfax County Public Library

Fairfax, VA

Teen Tech Volunteer

Sep 2024 – May 2025

- Helped senior patrons set up email accounts, recognize phishing scams, and use library computers, assisting 10+ patrons per week.
- Created a one-page "spot the scam" handout that librarians now give to patrons at the tech help desk.
- Logged 80+ volunteer hours and was asked back to help run a summer "Internet Safety Basics" session for 20 attendees.

Neighborhood Tutoring

Centreville, VA

Math Tutor (Self-Employed)

Sep 2023 – May 2025

- Tutored four middle school students weekly in pre-algebra and algebra, adapting explanations to each student's learning style.
- Built simple progress trackers in Google Sheets to share weekly updates with parents, helping two students raise their grades by a full letter.

CAMPUS INVOLVEMENT & LEADERSHIP

Pamplin Freshman Business Council

Blacksburg, VA

Member

Sep 2026 – Present

- Selected as one of 30 first-year students to plan professional development events and connect freshmen with Pamplin career resources.

High School Business Club (FBLA)

Centreville, VA

Chapter Treasurer

Aug 2024 – Jun 2026

- Managed the chapter's fundraising records and presented monthly budget updates to 40 members.
- Placed at the regional level in Introduction to Business Communication and organized a bake-sale fundraiser that raised \$600 for the chapter.

Python Basics – Personal Project

- Completed an online Python fundamentals course and wrote a simple password-strength checker that scores passwords on length and character variety.
